

WOMEN IN LEADERSHIP

A highly selective MasterClass, with Executive Coaching style & one-on-one engagement.

MAR 16 - 17, 2022

OVERVIEW

In recognizing March as a special month for women, we also recognize the transformation that must be embraced. There are real opportunity costs to not fully utilizing the talents of executive women. Participants use best practices, share experiences and insights, and try out new ideas in a supportive space to navigate a Volatile, Uncertain, Complex, Ambiguous (VUCA) business reality.

This custom Masterclass focuses on inclusive leadership development to build strategic advantage for yourself and your organization's lasting impact.

KEY TAKEAWAYS

- **ADaPT:** Situational Leadership - Leaders negotiate on behalf of themselves, their teams, and their institutions. Participants unlearn and discover ways to prepare for gender-specific negotiation challenges and adapt to their varying context
- **BeCOME:** A more effective leader: Decision-making with confidence, building allies, addressing 'Johari window' blind spots to grow acumen
- **ExPAND:** Your ability to be a catalyst for others around you to be their best selves & skillful leaders for greater organizational success
- **EmERGE:** Reenergize your authentic leadership style, your career choices
- **EmPOWER:** Yourself and your teams with a realistic agenda for change – in the organization and in your leadership approach

TARGET AUDIENCE

- Emerging women leaders

LEARNING METHODOLOGY

- Proven global cutting-edge learning methodologies: highly interactive, masterclass-style techniques, scenario-based application, case studies, peer-coaching model
- Structured, Peer-Leveraged & Tech-Empowered Engagement
- Coaching Elements

LEAD FACILITATOR

NAVEEN BALKHI

SSGB, Insights®, PDI, ProSci
SHRM, GE Crotonville

Recipient of industry and leadership awards, one of the top female leaders at her last four organization, Naveen is a seasoned, truly global thought leader. She inspires leadership and employees to invest in their own and in their company's growth. Engaging teams in new missions and change initiatives, she re-sparks loyalty and excitement. Naveen's partnered on complex acquisitions and explosive business growth mandates.

Educated at a top US university and with multiple certifications, Naveen's 23+ years of leadership spans Oil & Gas, Financial Services, Chemicals, Mining, Retail & Manufacturing. Her expertise has been deployed at niche and large global players such as Mubadala Investment Company, Agrium (NYSE:AGU), J.P. Morgan (NYSE:JPM) and Engro/ Exxon (Bloomberg:ENGRO PA) and Amazon. Naveen has led successful Six Sigma implementation with projects achieving defect and cost reduction rates of 40-60%.
