

GOAL SETTING

JAN 20, 2022

OVERVIEW

The route to success is to take the things that we dream about and wish for, and turn them into reality.

This one-day workshop will lead participants through thinking, planning, and taking action on the things they really want. They will learn ways to ensure that they get where they want to go in life and also covers the following:

- Self-understanding
- Laying the foundation
- What's in your bucket?
- Getting down to business
- Getting started today
- Dealing with setbacks

KEY TAKEAWAYS

- Identify what's important to you in your life
- Use goal setting activities & appropriate language to articulate
- What you want in your life
- Explain what your dreams and goals are for both the short and long term
- Use motivating techniques to help you reach your goals
- Understand how to deal with setbacks

TARGET AUDIENCE

This workshop is designed for business professionals, to help create & achieve goals - both personal and professional.

LEARNING METHODOLOGY

Use of diverse learning methodologies like interactive lectures, exercises, case studies, presentations and group activities, to ensure maximum learning.
