## EVOLUTION

### THE NEED TO EVOLVE

This evolution was reflective of the inclusion of all three sustainability pillars in the framework of Dialogue for Compliance making it Dialogue for Sustainability.

With the expanding horizon the need was realized to add the aspect of environment to enhance the brand ideology and move towards sustainability.

### EVOLVING FOR THE BETTER

Change is always good and 'Dialogue for Compliance' evolved from DFC to 'Dialogue For Sustainability' after the environmental component was added.

This evolution was reflective of the inclusion of all three sustainability pillars:

SOCIAL

ECONOMIC

ENVIRONMENTAL

## DIALOGUE FOR SUSTAINABILITY

Since the start of 2020, owing to the completion of all facets of sustainability, Dialogue for Sustainability has been a new stepping-stone for effective change in the textile sector of Pakistan with partners continuing to evolve for the better.

## WHY DIALOGUE FOR SUSTAINABILITY?

### 01 A COMMUNICATION GAME CHANGER

Establish effective communication channels at the factory level to build the trust among the management and workers

### IMPROVED COMMUNICATIONS CHANNELS

### 02 LEAD BY EXAMPLE

Evolve learning culture through coaching and mentoring of factory middle management and workers

### CAPACITY DEVELOPMENT OF WORKFORCE THROUGH THEMATIC AREA CMT WORKSHOPS, MINI-CMTs AND VATs

Productivity

Quality

Human Resource Management

Labour Standards

Occupational Health & Safety

Chemical Management and Water Management

As DFS practitioners, we have the capacity to offer thematic area CMTs and customized value-added trainings (VATs) as a separate service for industrial partners. All trainings and mentoring provided is provided by leading industry practitioners with hands-on experience and an eye for detail on the problems being faced by IFs.

### 03 IDENTIFY. ANALYZE. SOLVE.

Develop problem solving skills of people to improve business performance
