KSBL BS IT&S

KSBL BS IT&S offers 4-years rigorous training to develop technical expertise and mindset of delivering IT as a service so the organization and its employees can respond to changing business environments. Our BS degree in IT and Systems not only prepares students to understand the business problems behind software design, it also equips them with the aptitude to develop innovative ways to manage data. The program will enable young minds to understand information systems holistically and how it incorporates the technology, people and processes involved with information.

PREPARE FOR THE FUTURE JOB MARKET

Make the right move to prepare for the job market of the future with rigorous training that would enable you to work in a multitude of areas including

DESIGNING ALGORITHMS, PROGRAMMING, DATA, ROBOTICS, AI & MUCH MORE.

The curriculum includes foundational learning in the initial years, on to more specialized courses, and in-depth understanding of the business and socio-economic impact of these systems. The training by an experienced local and international faculty culminates in an exciting project in which students demonstrate the use of their technical and business expertise.

EMBA Class of 2018

"Joining KSBL is one of the best decision in my life as it has helped me in becoming a better version of myself. The faculty and my class fellows have contributed a lot to have a better and correct view of the things and transformed myself from planning & execution person to strategize & alignment person. Among several capabilities, one of the capability KSBL has given me is to identify and connect related and relevant things together and make better and informed decisions."

"Being a Chartered Accountant & LLB and having a progressive career already, the KSBL experience was truly transformational in my approach to my career and life as a whole. KSBL with its exceptional professors, course design, case studies methodology & practical approach coupled with intense classroom discussions between experienced professionals as class fellows creates an unparalleled learning environment. I would highly recommend the KSBL EMBA experience professionals aiming for future leadership positions."
